ELECTRONIC PATENT ASSIGNMENT SYSTEM (EPAS) CONFIRMATION RECEIPT

The USPTO has received a Patent Assignment submitted through the Electronic Patent Assignment System (EPAS). This is the only acknowledgement of receipt that will be transmitted for this EPAS submission. The submission may not be recalled.

After review by Assignment Services Division personnel a Notice of Recordation/Non-Recordation will be returned via fax. USPTO will attempt to fax to the number provided in the submission; fax failures will be delivered via US Postal Service to the Correspondence Address provided in the submission.

If a communication from the Assignment Services Division has not been received within 60 days of your confirmation receipt contact the Assignment Services Division Customer Service Desk at 571-272-3350 or send an e-mail to epas@uspto.gov.

If you have a technical question, comment or concern about your EPAS submission call 571-272-3350 during business hours or e-mail to epas@uspto.gov. Please have your EPAS receipt ID which is 'EASPAT728111' available when calling or writing for assistance.

A printable version of the Confirmation Receipt is attached to this e-mail.

ASSIGNMENT

The undersigned, **Lumenis, Inc.**, a corporation organized under the laws of Massachusetts, hereinafter referred to as the **Assignor**, having a place of business at 5302 Betsy Ross Drive, Santa Clara, CA 95054, USA, for good and valuable consideration, the receipt of which is hereby acknowledged, hereby assigns, sells and transfers to **Lumenis Ltd.**, a company organized under the laws of Israel and having Israel company number 7-004255-52, having a principal place of business at Yokneam Industrial Park, P.O. Box 240, Yokneam, Israel, 20692, and its successors, assigns and legal representatives, all hereinafter referred to as the **Assignee**: (1) its entire right, title and interest for the United States and in all countries in and to the U.S. and Israel patents and patent applications identified in **Schedule A** attached hereto, and including any and all divisions, continuations, continuations-in-part, renewals, reissues, reexaminations, renewals, revivals, extensions, and amendments thereof and any substitute applications therefor (hereinafter referred to as the "Patents"); (2) the full and complete right to file patent applications in the name of the Assignee, its designee, or in our name at the Assignee's, or its designee's, election on the aforesaid Patents in all countries of the world; (3) the entire right, title and interest in and to any patents which may issue thereon in the United States or in any country, and any and all divisions, continuations, continuations-in-part, reissues, reexaminations, renewals, revivals, extensions, and amendments thereof, and any patents of confirmation, registration and importation of the same; and (4) the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the Patents.

Assignor hereby authorizes and requests the competent authorities to grant and to issue any and all such Patents in the United States and throughout the world to the **Assignee** of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

Assignor agrees, at any time, upon the request of the **Assignee**, to execute and to deliver to the **Assignee** any additional applications for patents and for said inventions and discoveries which are disclosed in the Patents, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Patents issuing on said inventions, discoveries, or applications and divisions, continuations, continuations-in-part, reissues, reexaminations, renewals, revivals, extensions and amendments thereof.

Assignor further agrees at any time to execute and to deliver upon request of the **Assignee** such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of the **Assignee** under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said Patents and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said Patents and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.
